## **CRITERIA USED FOR THE SELECTION OF PARTNER INSTITUTIONS AND LIST OF SELECTED INSTITUTIONS IN BIHOR COUNTY**

In selecting the institutions to be included in our cooperative network for the implementation of the project we took into consideration the necessity to co-opt institutions which can be representative for the various categories of stakeholders involved in adult learning and professional training. In the same time we considered important to include institutions from all three main social sectors: the public (state), the private market-oriented and the NGO sector.

By combining the two mentioned criteria, we selected the following institutions:

### ***Providers of adult education and professional training aimed at disadvantaged categories of population:***

#### *Belonging to the traditional public educational system:*

Liceul Henri Coand Oradea

Colegiul Mihai Viteazul Oradea

Colegiul Tehnic C. Brâncu i Oradea

#### *Belonging to NGO providers of adult learning and professional training:*
